Sushan Dahal

Lalitpur, Nepal | sushandahal06@gmail.com | github.com/Sushan2589 | linkedin.com/in/sushan-dahal

Education

St. Xavier's College, Maitighar — Kathmandu, Nepal
NEB, Grades 11–12 — *2024 – 2026*

VS Niketan H.S. School — Tinkune, Nepal
Through Grade 10

Projects

Fund My Vision — Kathmandu, Nepal
Platform connecting early-stage ideators with investors — *Winner, Hack4Impact – PCPS College*

- Built the backend using Node.js and Express.js, with a React frontend.

GameEDU — Runner-up, BNKS Hackathon
Converts any syllabus into an interactive, game-based learning experience

- Built the backend using Next.js, styled with Tailwind CSS and JavaScript.

JU Tunes

- A community platform for sharing road-trip music playlists with friends, where recommendations get "judged" and discovered.

Get Me A Coffee (CLI)

- A command-line "buy me a coffee" style tipping tool built with Express.js; used to practice Khalti payment integration.

Canteen Management System

- A system to manage canteen orders and operations, built with HTML, CSS, JavaScript, PHP, and SQL.

Hackathons & Competitions

- **PCPS Hack4Impact —** Winner (Fund My Vision).
- **BNKS National Hackathon —** Runner-up (GameEDU).
- **ACEM Arambha Hackathon —** Selected as the only +2-level team.

Experience

VIDYA — App Developer — Nepal

- Built application features using Bun runtime, Next.js, and SQLite.

National SXC Science Fest — App Developer — St. Xavier's College

- Co-built the official registration and information website for the science fest.

Computer Club — Executive — St. Xavier's College

- Contributed to organizing and running technical events for the college's Computer Club.

Nepal International ADR Center (NIAC) — Technical Support — Nepal

- Assisted with event banner design and email marketing campaigns.
- Worked on polishing and refining NIAC's website.

ICMB — Co-editor & Technical Support — Nepal

- Helped build and maintain the ICMB website; supported technical aspects of community outreach, including teaching children and running tech-awareness events.
